

Arizona Department of Education

Fiscal Year (FY) 2013 School Safety Program Training Descriptions

New Officer Training: *On the Mark with the School Safety Program* - This four day workshop covers community oriented policing, the role of school-based officers, and an introduction to Law Related Education (LRE). **Required to attend:** School Safety Program (SSP) **Officers** who are new to the School Safety Program, have not attended a Basic LRE Academy or New Officer Training sponsored by Arizona Department of Education or did not participate in the School Safety Program during FY2009 – FY2012.

September 11-14, 2012

March 5 – 8, 2013

Leadership Training: *On the Mark with the School Safety Program* - This one day workshop covers the program's philosophy, requirements, individual stakeholder roles, and school safety related topics. **Required to attend:** **principals, district administrators, and agency supervisors** who are new to the School Safety Program, have never attended the Leadership training or did not participate in the School Safety Program during FY2009 – FY2012. Officers are invited to attend this training with their administrator and/or supervisor.

September 11, 2012

March 5, 2013

Advanced Leadership Training Level I: *Charting a Course for School Safety* - This one day advanced leadership training will provide information on utilizing data from a variety of sources to select appropriate evidence based and effective strategies to improve school safety and climate. **Required to attend: continuing principals** who completed the Leadership Training during FY2012 (a principal may elect to send a **designee**, such as an assistant principal, to this training). Officers and School Safety Assessment and Prevention Team (SSAPT) members are invited to attend with their school administrator.

October 17, 2012

January 24, 2013

Advanced Leadership Training Level II: *Charting a Course for School Safety - Building a Culture of Competency* - This one day advanced leadership training will provide a more in depth understanding of how to improve school safety and climate through increased connectedness, use of multiple data sources and effective team practices. **Required to attend: continuing principals** who completed the Leadership Training *and* Advanced Leadership Level I (a principal may elect to send a **designee**, such as an assistant principal, to this training). Officers and School Safety Assessment and Prevention Team (SSAPT) members are invited to attend with their school administrator.

October 17, 2012

January 24, 2013

LRE Programming for Leaders - This half day training is designed to provide administrators and supervisors with an in depth look at Law Related Education (LRE) and assist participants in using school and community level data to develop a comprehensive LRE program. **Required to attend: continuing principals** who completed the Leadership Training, Advanced Leadership Level I *and* Advanced Leadership Level II (a principal may elect to send a **designee**, such as an assistant principal, to this training); and **district administrators and agency supervisors** who completed the Leadership Training. Note that district administrators that attended a School Safety Program training during FY12 are not required to attend another training during the current grant cycle.
